## 6.7 Planning Enforcement:

matter Counc respor	Powys CC to CCC: to report for information, planning enforcement rs within the community (paper 6.7.1 previously circulated). cil received and expressed dissatisfaction at the Powys CC nse to CCC's enquiries regarding outstanding planning enforcement rs as follows:
	Description
	Installation of a static caravan on the development site.
	installation of a static caravan on the development site.
adjacent to	
Hyssington	
Village Green	
	Powys CC replies: The Development Management is currently in the process of investigating the above. The case officer has confirmed that a site visit will be undertaken within the next 14 days and an update provided to the Community Council thereafter.
	Proliferation of advertising which may require planning permission and may also compromise highways safety on the approach to the pedestrian crossing.
	Powys CC replies: Having visited the site and on reviewing Google Imagery, it was noted that the freestanding structure/signage located at the entrance to the site has been in existence since May 2009 although it is acknowledged that the signage has been updated to reflect the current premises on site (site formerly Tuffins, now Co-Op). On the basis of the historic signage and site observations, it was not considered expedient to pursue any further action in this respect and therefore the case was closed by Officers.
	Erection of steel frame protruding from the site towards the river which appears to be contrary to planning permission.

Wern Ddu Lane	Poundo CC replice:
	Powys CC replies: It is understood that discussions between the case officer and Natural Resources Wales (NRW) have been ongoing since receipt of the initial complaint. I have been advised that a flood modelling assessment has

	been undertaken by NRW to assess the impact of the works undertaken on flood risk at this location. Having now received comments from NRW, the case officer will make contact with the landowner with the view to arranging a meeting, hopefully within the next 28 days to discuss potential resolution of the outstanding matters. The case officer will be asked to provide an update to the Community Council following the meeting.
OPDE/2017/0024 6 – Land at Glebe, Old Churchstoke	A new entrance onto the highway from the field
	Powys CC replies: Having visited the site, Officers note the works undertaken at this location. The case officer is currently in the process of establishing when the works were undertaken which will thereafter inform appropriate action. The case officer will be asked to inform the Community Council of further progress made.
	Enquiry on progress on enforcement action following refusal of planning permission for change of use
	Powys CC replies: A Planning Contravention Notice was issued by Development Management on 7 <sup>th</sup> April 2017 and the completed notice returned by the landowner on 22 <sup>nd</sup> April 2017. The completed notice confirmed that the land was not been used for the purpose of commercial kennels/dog grooming facility. Subsequent to the above, further complaints have been received from local residents alleging the operation of unauthorised activities. Whilst there is no clear evidence available to Officers at the present time to suggest that a business is being operated from the site, the case officer is continuing to monitor potential activity at the site. The case officer will be asked that CCC is kept updated with further progress made.

6.7.2 From CCC to Powys CC: to report for information, planning enforcement matters within the community.
